UW Health Presents

STEMI NIGHT

Thursday, October 8
6-8:30 p.m.

Meet Amy Shepard, UW Health’s new STEMI Coordinator. Amy will be hosting STEMI Night and looks forward to working with all of you!

STEMI Night is focused on the assessment, treatment and transport of a patient who may be exhibiting signs of an ST-segment elevation myocardial infarction (STEMI). The event will include a case presentation on a patient who suffered pre-hospital cardiac arrest, followed by a simulated catheterization in the Cardiac Cath Lab to watch. Throughout the case, participants can interact and discuss the procedure with UW Health physicians and staff.

This session is limited to 65 people, so please register early.

Register at uwhealth.org/STEMINight
Questions? Contact Paulette Quick: pquick@uwhealth.org or (608) 263-7094.

Cost: Free. In addition, a light meal is included.

Location: Rm 1325, Health Sciences Learning Center (HSLC), located next to UW Hospital and Clinics on Highland Avenue.
