INSTRUCTIONS FOR COMPLETING AUTHORIZATION FOR DISCLOSURE OF PROTECTED HEALTH INFORMATION

• NOTE that if an authorization is needed for disclosure of a patient’s medical information for purposes of fundraising or marketing, a separate form is required. Such forms are available at the Marketing & Public Affairs web page of the UW Health intranet.

• Item #2a (Medical Records to be released from the record of): Indicate the name of the organization to which records are to be released from (only check one box per authorization).

• Item #2b (Medical Records to be disclosed): Description must be specific enough so that the patient can understand what information he or she is permitting to be disclosed. Thus, if “Other” section is used, description must be reasonably detailed (select only one section per authorization). Please select one format in which you would like to receive the records.

• Item #2c (Medical Images to be disclosed from): Indicate the location where Medical images are from.

• Item #2d (Specific Medical Images to be disclosed): Indicate if all medical images are needed or specific images relating to particular studies or dates.

• Item #3 (Disclosed By): Indicate the specific person(s) or class(es) of persons within the entity who will be permitted to disclose the information to outside parties.

• Item #4 (Disclosed To): Indicate the specific person(s) or class(es) of persons outside the entity who will be permitted to receive the information.

• Item #5 (Purpose or need for disclosure-may be released electronically): Indicate any and all purposes for disclosure.

• Item #6 (Expiration Date: if “Other expiration event” is selected, the event must be one that is related to the patient (e.g., termination of patient’s treatment, patient’s death) or to the purpose for the authorization (e.g., if the authorization is for disability determination, the authorization might end when the determination has been finalized). Ordinarily, a specific date is preferable.

• Signatures: in general, a patient age 18 or older is the only person with legal authority to sign this form. For patients younger than 18, generally the patient’s parent or legal guardian must sign on behalf of the patient. There are many exceptions, however, to these general rules. For example:
  o If the patient has a guardian of the person, the form may be signed by the patient’s guardian or temporary guardian. If there is no guardian, and if two physicians have determined that the patient is incompetent, the form may be signed by the health care agent named in the patient’s power of attorney.
  o If the patient is authorizing the use of HIV test results, he or she is permitted to sign this form regardless of age. If the patient is under the age of 14, a parent or guardian may sign on his or her behalf. If the patient is age 14 or older, a parent or guardian may not sign on his or her behalf.
  o If the patient is authorizing the use or disclosure of medical records involving treatment for mental illness, developmental disabilities, alcoholism or drug dependence, the patient is permitted to sign this form if he or she is age 14 or older. If the patient is between the ages of 14 and 18, a parent or guardian may sign on his or her behalf. If the patient is under the age of 14, a parent or guardian must sign.
  o For deceased patients, this form may be signed by the patient’s surviving spouse or personal representative. If there is no surviving spouse or personal representative, immediate family members may sign. For this purpose, immediate family members are limited to adult children, parents, grandparents, and adult brothers and adult sisters of the deceased patient and their spouses.
  o All individuals signing for disclosure of medical information on behalf of a patient must state their relationship to the patient and may be required to provide proof of legal authority to permit the use or disclosure of the medical information.
  o For information about signatures in other situations or answers to questions about these issues, please contact your supervisor, the Director of Health Information, and/or the Privacy officer.

• The patient must be given a copy of the signed authorization form if the Authorization was initiated from within a UW Health care provider as opposed to the patient or a third party.

ADDITIONAL INFORMATION REGARDING AUTHORIZATION FOR DISCLOSURE OF PROTECTED HEALTH INFORMATION

UW Health Care providers honor a patient’s right to confidentiality of protected health information as provided under federal and state law. Please read the following guidelines before signing this authorization.

**Release of Information:** The information released may be obtained from the medical record of UW Health. It may be obtained from multiple paper-based or electronic-based forms (as applicable). It may include data elements from outside sources that are embedded in tables and documents. Copies released from Health Information Management include medical records only.

**Sending Authorizations to UW Health:** Authorizations for UW Health sites can be mailed to UW Health - Health Information Management, 8501 Excelsior Drive, Madison, WI 53717. See a detailed listing of clinics that release their own records on uwhealth.org. This information is located in the Patient and Visitor section, How to Obtain Your Medical Records.

**Federal HIPAA Privacy Rules:** These federal rules indicate when your protected health information may be used or disclosed without your authorization. Please see our Notice of Privacy Practices for additional information. You can find a copy of the Notice of Privacy Practices on the website at uwhealth.org. This information is located on the bottom right corner of the website. Click on Notice of Privacy Practices (HIPAA).

**Wisconsin Right to Privacy:** Wisconsin law protects the confidentiality of patient health care records and indicates when records may be disclosed without your authorization. In addition, under Wisconsin law, you have the right to be free from unreasonable invasions of privacy.

**No Obligation to Sign:** You are under no obligation to sign this form, and you may refuse to do so. Except as permitted under applicable law, UW Health care providers may not refuse to provide you treatment or other health care services if you refuse to sign this form.

**Revocation:** You have the right to revoke this authorization, in writing, at any time before it ends. However, your written revocation will not affect any disclosures of your medical information that the person(s) and/or organization(s) listed on the reverse side of this form have already made, in reliance on this authorization, before the time you revoke it. In addition, if this authorization was obtained for the purpose of insurance coverage, your revocation may not be effective in certain circumstances where the insurer is contesting a claim. Your revocation must be made in writing and addressed to: UW Health - Health Information Management (Release of Information), 8501 Excelsior Drive, Madison, WI 53717.

**Re-release:** If the person(s) and/or organization(s) authorized by this form to receive your protected heath information are not health care providers or other people who are subject to federal health privacy laws, the protected health information they receive may lose its protection under federal health privacy laws, and those people may be permitted to re-release your protected health information without your prior permission.

**Right to Inspect:** You have the right to inspect or copy the protected health information for whose disclosure you are authorizing, with certain exceptions provided under state and federal law. If you would like to inspect your records, contact the patient accounting (for billing records) or Health Information Management department (for medical records) at 8501 Excelsior Drive Madison, WI 53717 or 608-263-6030, Option 3.

**Fees:** There is no charge for records requested by and released to other Healthcare organizations. A fee will be charged for other requested purposes. See uwhealth.org for more details on fees assessed, or call Release of Information during normal business hours at 608-263-6030, Option 5.

**Multiple Formats for Release of Medical Records:** You may request records to be provided to you in different formats, however only one format will be released per authorization. You will be asked to submit a separate request for each format if both formats are desired (and may be charged for each request).

**Signatures:** Generally, if you are 18 years of age or older, you are the only person who is permitted to sign this form to authorize the disclosure of your protected health information. If you are under the age of 18, your parent or guardian must sign this form for you. However, there are many situations in which this general rule does not apply. For more information regarding who is authorized to sign this form, contact UW Health - Health Information Management, 8501 Excelsior Drive, Madison, WI 53717, (608) 263-6030, Option 3.
