

Program Orientation Activities

June 20th, 2008

Your program told us that there would be some program orientation activities for you on this date.

A parking permit is attached to this form. This permit is for Lot 60 or Lot 76 at the intersection of Walnut St and University Bay Dr. Please refer to the map on the back of this sheet for directions.

Please check with your program coordinator if you have questions about start times and locations of the activities.
