

Facts and Figures

UW Health Organizations

- UW School of Medicine and Public Health
- UW Hospital and Clinics
- UW Medical Foundation

Along with these three major organizations, UW Health is home to the American Family Children's Hospital, the UW Carbone Cancer Center and University Health Care, a joint venture of UWHC and UWMF to develop regional programs and services and serve as corporate owner of Unity Health Insurance. UW Health works closely with other UW health sciences schools including the UW School of Pharmacy and the UW-Madison School of Nursing.

Mission

Advancing health without compromise through:

- Service
- Scholarship
- Science
- Social responsibility

National Recognition

- UWHC designated a Magnet® Hospital for nursing excellence by the American Nurses Credentialing Center.
- UWHC ranked in the top 50 of the nation's hospitals in seven medical specialties, as a high performer in 5 additional specialties and as the #1 Hospital in Metro Madison, *U.S. News & World Report*, 2011.
- UWHC Emergency Department named one of 20 EDs nationwide to receive the Emergency Nurses Association Lantern award, 2011.
- 275 UW Health physicians have been named to one or more of: *US News & World Report/Castle Connolly's America's Top Doctors*; *Best Doctors in America* and *Madison* magazine's Top Doctors.
- UWHC named among the Top 10 of "100 Best Companies" in the nation by *Working Mother* magazine, 2010.
- UWHC named by *Working Mother* magazine as one of the nation's 12 Best Companies for Hourly Workers and 10 Best Companies for Kids.
- Named a *Get with the Guidelines* Gold Performance Achievement Award winner by the American Stroke Association.
- UWHC recognized by Health Information Management Systems Society (HIMSS) as attaining Stage 7 (of 0-7) for electronic health record implementation.
- UWHC named to *Health and Hospital Networks* list of "Most Wired" 2011.

- UWHC selected as Best Hospital/Medical Center in Best of Wisconsin Business Awards, *Corporate Report Wisconsin*, 2010.
- American Family Children's Hospital ranked among the nation's top 50 children's hospitals in seven medical specialties, *U.S. News & World Report*, "2011-12 Best Children's Hospitals Guide."

Major Clinical Programs

- Critical Care—UW Med Flight critical care air transport service, established April 1985; UWHC on-site facilities include fully equipped emergency room; trauma center with Level One status for both adult and pediatric care; burn unit; pediatric intensive care unit; cardiac and medical intensive care units.
- UW Carbone Cancer Center—one of 39 federally designated centers for cancer treatment and research. The UWCCC has affiliated regional cancer centers at:
 - Beloit Memorial Hospital, Beloit, WI
 - FHN Leonard C. Ferguson Cancer Center, Freeport, IL
 - UW Cancer Center Riverview Hospital, Wisconsin Rapids, WI
 - UW Cancer Center Johnson Creek, Johnson Creek, WI (in partnership with Fort HealthCare and UW Health Partners Watertown Regional Medical Center)
- American Family Children's Hospital—62-bed pediatric hospital adjacent to UW Hospital and Clinics, nationally known for treatment of children's lung diseases, cardiac surgery and other pediatric specialties.
- Organ Transplant—one of the nation's largest programs, with patient outcomes consistently cited among the best in the nation. Recognized by US Department of Health and Human Services as organ procurement best practice site.
- Heart and Vascular Care—a comprehensive program of prevention, expert diagnosis and treatment of full spectrum of heart-related diseases.
- Stroke Center—one of the most comprehensive sets of stroke studies in the nation, including testing of multiple surgical interventions, advanced diagnostic imaging, and medications and therapeutic interventions for acute stroke and its after-effects.
- Orthopedics and Rehabilitation—comprehensive care for patients with the broadest spectrum of orthopedic needs, including spine medicine, sports medicine, hand surgery, joint replacement, orthopedic oncology and rehabilitation medicine.
