

Facts and Figures

UW Health Organizations

- UW School of Medicine and Public Health
- UW Hospital and Clinics
- UW Medical Foundation

Along with these three major organizations, UW Health is home to American Family Children's Hospital, the UW Carbone Cancer Center and University Health Care, a joint venture of UWHC and UWMF to develop regional programs and services and serve as corporate owner of Unity Health Insurance. UW Health works closely with other UW health sciences schools including the UW School of Pharmacy and the UW-Madison School of Nursing.

Mission

To meet the health needs of Wisconsin and beyond through comprehensive excellence in education, research, patient care and community service.

National Recognition

- UW Hospital and Clinics recipient of prestigious Magnet hospital designation by the American Nurses Credentialing Center, 2009.
- UW Hospital and Clinics named #1 academic medical center nationwide for outstanding nursing quality by American Nurses Association, based on NDNQI performance, 2009.
- UW Hospital and Clinics ranked among the top five academic health centers nationwide in a University HealthSystem Consortium benchmarking study of safety, mortality, clinical effectiveness and equity in delivering care, 2008.
- 2008 recipient of Premier Award for Quality (AFQ), as UW Hospital and Clinics is one of 27 hospitals selected from 3,800 nationwide, based on excellence in clinical outcomes and resource use.
- UW Hospital and Clinics ranks among the top 50 in the nation in five medical specialties, U.S. News & World Report, "America's Best Hospitals 2009."
- UW Hospital and Clinics named among "100 Best Companies" in the nation by Working Mother magazine, 2007, 2008.
- Heart and Vascular Care program listed among "100 Top Hospitals" in Thomson Reuters Cardiovascular Benchmarks for Success, 2004-2008.
- Stoke program named a Get with the Guidelines Gold Performance Achievement Award winner by the American Stroke Association, 2008.
- Best Hospital/Medical Center in Best of Wisconsin Business Awards, *Corporate Report Wisconsin*, 2006, 2008, 2009.
- Ranked among the top 100 integrated health care networks in the U.S. by Verispan, 2006, 2007 and 2008.

- HealthGrades Excellence Award recipient for critical care, gastrointestinal care and pulmonary care, 2007, and cardiac care, 2008.
- Consumer Choice Award winner, National Research Corporation, 2005/06 - 2008/09.
- 125 UW Health physicians listed in Madison Magazine's 2008 roster of 196 "Top Docs."

Major Clinical Programs

- Critical Care—UW Med Flight critical care air transport service, established April 1985; CHETA (UW Children's Hospital Emergency Transport Ambulance) added in 2004; UWHC on-site facilities include fully equipped emergency room; trauma center with Level One status for both adult and pediatric care; burn unit; pediatric intensive care unit; cardiac and medical intensive care units.
- UW Carbone Cancer Center—one of 41 federally designated centers for cancer treatment and research, with affiliated regional cancer centers at:
 - Leonard Ferguson Cancer Center, Freeport, IL
 - Beloit Memorial Hospital, Beloit, WI
 - Riverview Hospital, Wisconsin Rapids, WI
 - UW Cancer Center-Johnson Creek, Johnson Creek, WI
 - UW Cancer Center Affinity Health System, Appleton and Oshkosh, WI
- American Family Children's Hospital—62-bed pediatric hospital adjacent to UW Hospital and Clinics, nationally known for treatment of children's lung diseases, cardiac surgery and other pediatric specialties.
- Organ Transplant—one of the nation's largest programs, with patient outcomes consistently cited among the best in the nation. Recognized by US Department of Health and Human Services as organ procurement best practice site.
- Heart and Vascular Care—a comprehensive program of prevention, expert diagnosis and treatment of full spectrum of heart-related diseases.
- Stroke Center—one of the most comprehensive sets of stroke studies in the nation, including testing of multiple surgical interventions, advanced diagnostic imaging, and medications and therapeutic interventions for acute stroke and its after-effects.
