

UW HEALTH JOB DESCRIPTION

Director HR Shared Services

Job Code: 113511	FLSA Status: Exempt	Mgt. Approval: C. Wiens	Date: May 2023
Department: Human Resources		HR Approval: S. Whitlock	Date: May 2023

JOB SUMMARY

The Director of HR Shared Services is responsible for the strategy, planning and implementation of a best-in-class HR service delivery model leveraging high-impact HR shared services, including the HR Service Center, HRIS and data entry functions, benchmarked data reporting and analytics, excellence in vendor/partner management and a focus on employee experience across the overall employee life cycle for all UW Health entities.

The Director creates the strategy, goals and execution plan that enables business continuity, upholds standards, and creates efficiencies for HR processes while ensuring compliance with all federal, state, and other applicable regulatory agencies.

This role leads the buildout, readiness and deployment of the UW Health HR Shared Services function including, but not limited to:

- Creating and championing a culture of engagement where team members can do their best work and customers experience empathetic, professional, and knowledgeable support.
- Designing and delivering HR services ensuring end-to-end connection across HR.
- Development of HR services blueprint and governance framework including intake and escalation model, service catalogue, KPIs.
- Creating HR knowledge/content strategy for employee facing knowledge documents.
- Being customer-obsessed in designing and delivering HR services for employees.
- Evaluating, developing, implementing, and modifying service delivery processes with governance across all internal stakeholders.
- Supporting the end-user to create an exceptional employee experience through application support, training, and standard work documentation.
- Building and enabling strategies to ensure continuous improvement, consolidation, and standardization for HR processes within the HRSS function.
- Defining HR technology strategy and roadmap aligning with business needs partnering with key HR Leaders and stakeholders.
- Developing strong relationships with Information Systems, vendors, consultants, business partners, and internal leadership to ensure best practices and to provide mutual support and partnership.
- Leading the development and optimization of UW Health's HR systems to enhance process efficiencies, HR Reporting, and analytics capabilities.
- Creating a culture of continuous improvement mindset resulting in improved processes and outcomes for the customer; and partner with UW Health stakeholders to develop a value stream approach.

The position's major responsibility is directing the day-to-day operations, budgeting, financial management, and human resource management. The Director works closely with a variety of stakeholders and colleagues across UW Health to build and foster trust-based collaborative relationships to promote the alignment, communication, coordination, and successful implementation of UW Health's HR Shared Services.
