

UW HEALTH JOB DESCRIPTION

Director, Provider Services			
Job Code: 113215	FLSA Status: Exempt	Mgt. Approval: C. Geisler	Date: January 2023
Department: Provider Services		HR Approval: A. Phelps Revolinski	Date: January 2023

JOB SUMMARY

The Director of Provider Services will support UW Health’s foundational competency of physician and staff wellbeing. The Director is responsible for the direction and leadership of operational, financial, programmatic and employee related activities for Provider Services, with a focus on organizational development and provider wellbeing. This includes establishing, meeting and continuously monitoring the goals and objectives while maintaining alignment with the strategic goals and objectives for UW Health.

The role is accountable for the design, development and delivery of learning and talent development and provider wellbeing solutions as well as measurement and evaluation of learning function operations and outcomes. The Director works collaboratively with leadership at all levels of the health system and oversees the work of a team who also partner with stakeholders to implement integrated programs addressing business priorities.

The Director understands demographic and workforce trends and their correlation to positive provider/staff relations and strategies and partners to take action with appropriate UW Health and School of Medicine & Public Health (SMPH) leaders. The Director helps to support the infrastructure and needs for talent development, specifically physician leadership development, coaching programs and 360 development feedback assessments. The Director also researches, develops, recommends and implements appropriate strategies/action plans/programs in support of the organizational strategic plan and departmental needs.

While the range of duties and responsibilities is broad and varied, the position’s major responsibility is directing the day-to-day operations, budgeting, financial management, and human resource management. The Director works closely with a variety of stakeholders, coordinating the activities of Provider Services across the entire health system..

The Director of Provider Services serves as the programmatic and operational leader for Provider Services and is responsible to the Vice President, Provider Services and works closely with UW Health and SMPH leaders and employees. UW Health is committed to the highest standard of customer service and integrity for its patients, visitors and staff members. The Director serves as a role model by leading with integrity and other exemplary behavior when leading the team and working with others across the health system.
