	s <b>tribution and paper charts</b> dering, maintenance; check out, deliv connect. orts and complete work processes as		•	sing Health Link, Versatile and Iror					

- Travel to CSC to deliver and pick up documents, charts and other patient care media.
- Sort and distribute incoming and outgoing mail, charts and documents. Deliver and pick up documents within the building.
- Assist the storage liaison with trouble shooting chart locations, reviewing and rectifying returns from storage vendor and ensuring chart information is accurate within HealthLink, Versatile and IM connect.

 Prepare paper charts for back-scanning, identifying appropriate document type while developing a crosswalk of "old" paper document filing to the current document type to index in HealthLink. Ensure chart location is accurate in all affected systems.

## **Customer Service**

- Process internal/external telephonic and printed requests for electronic and paper medical records. Locate and arrange delivery of the medical record to the requester. Coordinate off site medical record retrieval as needed.
- Provide assistance and direction to all callers and visitors by explaining H.I.M. and Release of Information procedures while providing exceptional customer service.
- Monitor assigned voice mail, in-basket and email boxes. Work requests received in email and in-basket in a timely manner.
- Assist end users in record retrieval and review in the Research Room as necessary

## Administrative

- Independently organize and prioritize time to provide full medical record availability to customers and complete all related tasks.
- Respond to after hour telephonic, in-basket, e-mail and fax requests for medical information needed to facilitate direct patient care, utilizing the paper and electronic record.
- Participate in after hour on-call to provide stat record retrieval and indexing services.
- Actively participate in training sessions and help new staff to learn. Assist in reviewing and updating training materials.
- Provide Manager/Supervisor with suggestions for improvement, destination station updates, fully complete logs and departmental documentation
- Actively participate in process improvement, engagement, department, staff and other work meetings/teams.
- Submit and track Service Now tickets as needed to maintain optimal system processing

 Maintain knowledge of and adhere to all HIPPA, confidentiality and compliance regulations, rules, guidelines, policies and procedures.
