What is UW Health?

UW Health is the integrated health system of the University of Wisconsin-Madison. Governed by the UW Hospitals and Clinics Authority, UW Health partners with the UW School of Medicine and Public Health to fulfill its patient care, research, education and community service missions.

More than 600,000 patients from the Upper Midwest and beyond are served annually by 1,500 physicians and 17,000 staff at seven hospitals and 87 outpatient clinics.
