Purchase tickets online by July 15, 2016 at uwhealth.org/HopeMeetGratitude (preferred)

To pay by check, you may also print the paper registration form available online or please contact us at the email or phone number provided if you need a form mailed to you.

Please note that online event registration is a two-part process: 1) purchase your tickets, 2) complete the survey to provide your guest names.

You’ll also want to visit uwhealth.org/HopeMeetGratitude to:
- Purchase Hope, meet Gratitude clothing to wear at the event. Place your order by July 1 to have items shipped directly to you in time for the Reunion. Items ordered by July 15 will be available to pick-up at Reunion registration.
- Register for the National Kidney Foundation of Wisconsin Capital City 5K RunWalk for Organ, Tissue and Eye Donation.
- Learn about special rates available at area hotels. Most rates held until June 29.
- Share your story.
- Get more event details!

For our guests with special needs:
Please plan to bring any assistive devices you use on a daily basis. Our menus will have options for guests who have food allergies, and you may indicate those on the registration form. Sign-language interpreters will be available upon request. Other information about guest hospitality can be found at: uwhealth.org/HopeMeetGratitude

Questions?
Please email HopeMeetGratitude@uwhealth.org (preferred) or call (608) 890-9485
For 50 years, the UW Health transplant and donation teams have been tirelessly working to create hope, to share gratitude and to become one of the oldest, largest and most successful transplant programs in the country, a program that has served more than 13,000 patients.

Join us as we take a look back and reflect on the leadership, expertise, partnerships, compassion and courage that brought us to this point, and share our vision for the future with you. This semi-formal evening will include a sit-down dinner and program.

Organ and tissue donors and their families created hope when they said “yes” to donation. Patients and their families became gratitude when they received the gift of life. Our transplant and organ donation family is huge, and we invite everyone to join us to celebrate 50 years of courage and launch the next 50 years of hope.

This family-friendly, casual event is the place where Hope and Gratitude are invited to reconnect with one another. Share a meal and a story with one another, and be inspired by a program designed to celebrate all who are Hope and Gratitude.

Gratitude
Thinking of you

The UW Health Transplant team would like to express our sincere condolences to you and your family. Although we understand this to be a very difficult time, we wanted you to know that we welcome you all to attend our 50th anniversary celebrations. Please know that we think of you often, and will always consider our patients and their families as part of our UW Health Transplant family.
Thank you

I hope you’ll be able join us to celebrate the 50th Anniversary of the UW Health Transplant Program. You are an important part of our history.

Warm regards,

Dixon B. Kaufman, MD, PhD
