UW Health physicians and surgeons are pleased to provide a wide range of medical services. Specialists from UW Health in Madison regularly travel to see patients locally. This allows people who need specialty care to be seen for diagnosis, regular check-ups and some treatments close to where they live and work. In this way, UW Health physicians supplement and support the care provided by physicians within the local community.

**Services**

- UW Health Specialty Clinic – Sauk Prairie
  250 26th Street, Suite 120
  Prairie du Sac, WI 53578
