2020
We created the UW Health Provider Relationships Program to meet the needs of medical professionals and the patients they serve. Our team is available to assist in a number of ways when you or your staff need to access UW Health resources. We understand that good communication is vital to the co-management of your patients. Please feel free to contact us if you need assistance.

**PROVIDER RELATIONS COORDINATOR**

Lori Klitzke  
(608) 263-8013  
lklitzke@uwhealth.org  

Lori serves as an advocate for you and is available to:  
- Assist with navigation of UW Health system  
- Assist with referral coordination, communication and access issues  
- Share information about UW Health providers, specialty clinics and procedures  
- Assist with problems and complaint resolution

**PROVIDER RELATIONSHIPS SPECIALIST**

Jennifer Bodenstein  
(608) 890-5793  
jbodenstein@uwhealth.org  

Jennifer is available to:  
- Provide resources such as directories and program information  
- Provide clinical reports  
- Facilitate educational webinars based on your requests  
- Serve as a point of contact for other UW Health non-appointment-related questions

**UW HEALTH PHYSICIAN LIAISONS**

Our UW Health Physician Liaisons work with community-based providers who refer patients to UW Health. The goal of our team is to understand and meet your needs to better serve you and your patients.

We are able to:  
- Schedule visits to provide information on new physicians, services, clinical trials and upcoming UW Health events  
- Plan relationship-building meetings with UW Health Specialists in your facility and at your convenience  
- Arrange educational programs, including CME lectures, webinars and Tumor Board presentations  
- Provide assistance in the resolution of any service-related issues
