

# SUPPORT ORGAN, EYE AND TISSUE DONATION

## **Purchase a Donate Life Wisconsin License Plate!**

Wisconsinites have a great way to support organ, eye and tissue donation by purchasing and displaying the Donate Life license plate. Your \$25 annual donation (on top of the normal cost of your plates) will be used to promote organ, eye and tissue donation in Wisconsin and will also help to defray the costs of Wisconsin's online Donor Registry, a vital tool that can help save more lives in our state.

- Donate Life Wisconsin plates can feature regular numbers or can be personalized.
- A \$25 tax-deductible contribution to Donate Life Wisconsin, Inc. is required to issue and renew your plates each year, in addition to the regular registration fee. The \$25 contribution may be tax deductible if you itemize your income tax returns.
- A \$15 issuance fee is required when non-personalized DLW plates are issued.
- A \$15 fee is required EACH year in addition to the regular annual registration fee and \$25 contribution for personalized plates.
