

Your Procedure/Surgery Checklist

You will receive a call from a nurse prior to your scheduled procedure/surgery date to discuss your confidential health history and medical information.

The interview takes approximately 15 minutes. You will have an opportunity to ask questions and learn more about what to expect while at the Madison Surgery Center.

Important: please have this form available at the time of your interview so you are prepared to discuss the information below with a nurse.

- Any allergies to medication, latex or food.
- Pertinent past and present medical information.
- Past surgical history.
- Present medication with dosage and schedule. This includes over the counter and herbal supplements.

THE DAY OF YOUR PROCEDURE/SURGERY

The items listed below are meant to prepare you for the day of your procedure/surgery.

- Wear loose, comfortable clothing and shoes.
A shirt that buttons is preferable.
- Leave all valuables and jewelry at home (i.e. wedding band, watch, earrings, body piercing jewelry).
- Do not wear make-up and nail polish (fingers or toes).
- Do not wear contact lenses—glasses can be worn.
Please bring a case to store your glasses in.
- Bring some form of photo identification.
- Bring your insurance card.

- Bring money for medications that may need to be purchased at the pharmacy.
- For cataract patients: if you have received eye drops and eye kit, please bring them with you.**
- For children:** bring a special blanket, stuffed animal or toy. Remember to bring a bottle or sippy cup for use after the procedure/surgery.
- Bring a blanket and pillow in the car for the ride home.
- Bring this patient folder and information with you.
- A responsible adult should accompany you home after your procedure/surgery and stay with you for 24 hours.
- Diet instructions as follows:

- Take these medications the morning of your procedure/surgery with a sip of water.

You will receive a call the day before your procedure/surgery with your expected time of arrival and procedure/surgery time.
