

University of Wisconsin Hospitals and Clinics Board of Directors
Review of Medical Staff – September 2, 2009

The Medical Board, upon the recommendation of the Credentials committee, recommends approval of the following new applications, additional privileges, biennial reappointments and status changes for the medical staff. All of the recommended actions have been reviewed in accordance with the Medical Staff Bylaws. The credentials of all new applicants have been verified. All persons listed below meet the standards of the medical staff for the membership and privileges recommended.

Credentials Committee: June 11, 2009

Medical Board: July 9, 2009

Michael Bentz, M.D., Chair of Medical Board & President
of Medical Staff
