

# Go Red Girl Scouts Online Art Gallery

Take what you've learned in the Go Red Girl Scouts Patch Program and create a message to help educate others about having healthy hearts. Artwork will be added to the [uwhealth.org/GoRed](http://uwhealth.org/GoRed) web site.

Girl Scouts from Wisconsin are eligible to submit entries (our apologies to Girl Scouts living outside the Badger state).

## Girls should draw a picture that fits one of the following categories:

- A. **Why I love my heart**—Healthy hearts give us healthy bodies, and let us do the things we love to do most. What activities do you like to do most, that you need a healthy heart and body for?
- B. **What heart health means to me**—How do you think having a healthy heart makes your life better? What kind of things can you do because you have a healthy heart?
- C. **Steps to a healthier heart**—What are things we can do to keep our hearts healthy? What sort of things should we avoid if we want a healthy heart?
- D. **Eat healthy**—What kinds of foods help keep our heart and bodies healthy and happy?
- E. **Important women in my life**—Draw a picture of a woman you admire.

Artwork should be in a horizontal or square format, no larger than 16" x 20" and no smaller than 8" x 10". Use markers, paints, oil pastels, paper art (mosaic) or crayons colored in deep colors. When creating your entry, remember that COLORFUL artwork reproduces the best. Please contact Hannah Wente at [hwente@uwhealth.org](mailto:hwente@uwhealth.org) or (608) 263-6933 with any questions.

Remember to write your name and troop number on the back of your artwork.

## Complete the submission form (on next page) and mail with your unfolded artwork to:

Go Red Girl Scout Art Gallery  
UW Health Marketing and Public Affairs  
635 Science Drive, Suite 150  
Madison, WI 53711

Or drop off your registration form and artwork at:  
635 Science Drive, Suite 150, Monday–Friday 8 a.m.–5 p.m.

Please do not staple the artwork and registration form together.
