# Patient and Family Center Care Seminar

INSTITUTE FOR PATIENT- AND FAMILY-CENTERED CARE

## *Hospitals and Communities Moving Forward with Patient- and Family-Centered Care*

*An Intensive Training Seminar  
Partnerships for Quality and Safety*

**NOVEMBER 7–10, 2011**

The Madison Concourse Hotel  
and Governor's Club

This seminar provides three and a half days of comprehensive and practical sessions designed to help administrative leaders, board members, physicians, nurses and other staff, patients, and families become effective agents for patient- and family-centered change in their organizations. Participants will gain the knowledge and skills to begin to transform health care within hospitals, ambulatory care settings, and community practices to address the challenges and recommendations discussed in the Institute of Medicine's report, *Crossing the Quality Chasm: A New Health System for the 21st Century* and more recently, the National Priorities Partnership's report, *National Goals and Priorities: Aligning Our Efforts to Transform America's Healthcare*.

*With leadership support from*
