

**University of Wisconsin Hospitals and Clinics Board of Directors  
Review of Medical Staff –December 4, 2013**

The Medical Board, upon the recommendation of the Credentials committee, recommends approval of the following new applications, additional privileges, biennial reappointments and status changes for the medical staff and other providers requesting professional privileges for practice at UWHC. All of the recommended actions have been reviewed in accordance with the Medical Staff Bylaws. The credentials of all new applicants have been verified. All persons listed below meet the standards of the medical staff for the membership and privileges recommended.

Credentials Committee: November 4, 2013  
Medical Board: November 14, 2013

  
Nathan Rudin, M.D., Chair of Medical Board & President  
of Medical Staff

The following actions were endorsed by the UWHC Credentials Committee and are recommended to the Medical Board for approval/action.

**Format for dissemination of changes/approvals/termination information**

Below is the sample format of notifications the UWHC Medical Staff Affairs office sends to the rest of the organization about changes, approvals and termination type information for credentialed/privileged providers. This information is sent via email. Endorsement of this process and format is requested per Joint Commission requirements.

New staff announcement

**Name – Start date**

Dept.: Clinical dept/section  
Fac.Rank UWSMPH rank  
Status: Active/Courtesy/etc  
Address: UWHC internal mailing address  
WI Lic : WI medical license no.
