

**University of Wisconsin Hospitals and Clinics Board of Directors**  
**Review of Medical Staff –February 8, 2012**

The Medical Board, upon the recommendation of the Credentials committee, recommends approval of the following new applications, additional privileges, biennial reappointments and status changes for the medical staff. All of the recommended actions have been reviewed in accordance with the Medical Staff Bylaws. The credentials of all new applicants have been verified. All persons listed below meet the standards of the medical staff for the membership and privileges recommended.

Credentials Committee: December 5, 2011

Medical Board: December 8, 2011

Nathan J. Rudin, M.D., Chair of Medical Board & Interim  
President of Medical Staff

The following actions were endorsed by the UWHC Credentials Committee and are recommended to the Medical Board for approval/action.

These privileges include, but are not limited to, lumbar puncture; peripheral arterial puncture; peripheral venous puncture; neonatal circumcision; intubation; suprapubic bladder tap in the care of newborn infants greater than 2000 grams; and performing waived laboratory testing not requiring an instrument, including but not limited to fecal occult blood, urine dipstick, and vaginal PH by paper methods; and supervision of residents, fellows and others in training.

Caitlin S. Pepperell, MD, Active Staff  
Department of Medicine/Infectious Disease

- Internal Medicine/Major Care Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and treat adult patients with medical illnesses. These privileges also include care of patients via telemedicine. These privileges include, but are not limited to, lumbar puncture, thoracentesis, paracentesis, arterial line insertion, diagnostic or therapeutic joint aspiration/injection, endometrial biopsy, endocervical polyp removal/biopsy, intrauterine device (IUD) insertion, punch biopsy of the skin, percutaneous needle biopsy of a breast mass or skin lesion, soft tissue injection, liquid nitrogen cryosurgery of the skin or other appropriate lesion, and supervision of residents, fellows, and others in training.
- Infectious Diseases Core Privileges: Privileges to evaluate including performance of H&P, diagnose, consult, and treat adult patients presenting with infectious or immunologic diseases. These privileges include supervision of residents, fellows, and other persons in training.

Amy L. Stella, MD, Active Staff  
Department of Medicine/Hematology/Oncology

- Internal Medicine/Major Care Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and treat adult patients with medical illnesses. These privileges also include care of patients via telemedicine. These privileges include, but are not limited to, lumbar puncture, thoracentesis, paracentesis, arterial line insertion, diagnostic or therapeutic joint aspiration/injection, endometrial biopsy, endocervical polyp removal/biopsy, intrauterine device (IUD) insertion, punch biopsy of the skin, percutaneous needle biopsy of a breast mass or skin lesion, soft tissue injection, liquid nitrogen cryosurgery of the skin or other appropriate lesion, and perform waived laboratory testing not requiring an instrument; including but not limited to fecal occult blood, urine dipstick, and vaginal PH by paper methods and supervision of residents, fellows, and others in training.
- Medical Oncology Core Privileges: Privileges to evaluate including performance of H&P, diagnose, consult, and treat adult patients presenting with malignancies. These privileges include, but are not limited to, administration of chemotherapeutic agents and biological response modifiers through all therapeutic routes; management and maintenance of indwelling venous access catheters; and supervision of residents, fellows, and others in training.

**Additional Privileges**

Petros V. Anagnostopoulos, MD, Active Staff  
Department of Surgery/Cardiothoracic

- Supervision of Physician Assistant with Prescriptive Authority (Carissa Cole, PA)

Sara L. Best, MD, Active Staff  
Department of Urology

- Supervision of Physician Assistant with prescriptive authority (Theresa Hollnagd, PA and Susette Thompson, PA)

Nilto C. DeOliveira, MD, Active Staff  
Department of Surgery/Cardiothoracic

- Supervision of Physician Assistant with Prescriptive Authority (Carissa Cole, PA)

Takushi Kohmoto, MD, Active Staff  
Department of Surgery/Cardiothoracic

- Supervision of Physician Assistant with Prescriptive Authority (Carissa Cole, PA)

Granville L. Lloyd, MD, Active Staff  
Department of Urology

- Supervision of Physician Assistant with prescriptive authority (Theresa Hollnagel, PA and Susette Thompson, PA)

Lucian Lozonschi, MD, Active Staff  
Department of Surgery/Cardiothoracic

- Supervision of Physician Assistant with Prescriptive Authority (Carissa Cole, PA)

James D. Maloney, MD, Active Staff  
Department of Surgery/Cardiothoracic

- Supervision of Physician Assistant with Prescriptive Authority (Carissa Cole, PA)

Jeffrey J. Pothof, MD, Active Staff  
Department of Medicine/Emergency Medicine

- Adult Deep Sedation

Michael D. Repplinger, MD, Active Staff  
Department of Medicine/Emergency Medicine

- Adult Deep Sedation

Nestor S. Rodriguez, MD, Active Staff  
Department of Medicine/Emergency Medicine

- Adult Deep Sedation

Hemender S. Vats, MD, Active Staff  
Department of Medicine/Nephrology

- Percutaneous interventions (primary operator): atherectomy, angioplasty and stentplacement

Tracey L. Weigel, MD, Active Staff  
Department of Surgery/Cardiothoracic

- Supervision of Physician Assistant with Prescriptive Authority (Carissa Cole, PA)

### Focused Professional Practice Evaluation Review

The following focused review applications have been endorsed by the UWHC Credentials Committee and are recommended to the Medical Board for approval/action:

Halanski, Matthew A., MD	Orthopedics and Rehab/Ortho Surgery	Active Staff
Jacobs, Elizabeth A., MD	Medicine/General Internal Medicine	Active Staff
Kaufman, Dixon B., MD	Surgery/Transplant	Active Staff

### Reappointments

The following reappointment application has been endorsed by the UWHC Credentials Committee for a one-year appointment and is recommended to the Medical Board for approval/action:

- Frank Greer, MD, Courtesy, Pediatrics: Neonatal

### Professional Privileges

#### New Applicants

Carissa Cole, PA – Surgery/Cardiothoracic

- CT Surgery PA Core Professional Privileges
- Prescriptive Authority
- Assisting in surgery

Lindsay Morris, NP – Surgery/Cardiothoracic

- prescriptive authority
- blood product ordering

Amy Hof, NP – Ortho/Rehab/Spine

prescriptive authority

- blood product ordering

Wendy Sievert, NNP – Pediatrics/Neonatology

- prescriptive authority

Lisa Semmann, NP –transfer from Radiology to Ortho Rehab – Spine.

- prescriptive authority
- blood product ordering
- suturing

#### Additional Privileges

Lindsey Heisler, NP – Ortho/Rehab/Rehab Medicine

- botox injections

Sara Schaefer, NP – Surgery/General Surgery

- pediatrics population
