

**University of Wisconsin Hospitals and Clinics Board of Directors**  
**Review of Medical Staff –March 5, 2014**

The Medical Board, upon the recommendation of the Credentials committee, recommends approval of the following new applications, additional privileges, biennial reappointments and status changes for the medical staff and other providers requesting professional privileges for practice at UWHC. All of the recommended actions have been reviewed in accordance with the Medical Staff Bylaws. The credentials of all new applicants have been verified. All persons listed below meet the standards of the medical staff for the membership and privileges recommended.

Credentials Committee: February 3, 2014

Medical Board: February 13, 2014

Lee Faucher, M.D., Vice President of Medical Board

The following actions were endorsed by the UWHC Credentials Committee and are recommended to the Medical Board for approval/action.
