Big Cookies, Big Difference

- In another important step for offering better health and wellness options, we have shrunk our cookies.
- The 900 calorie big cookie is no longer available in the cafeteria.
- The elimination of this offering was prompted by an employee suggestion during a forum.
- Cookies of a more reasonable size are still offered and can be a special treat in a well balanced diet.

Working Mother Magazine

- For the fourth year in a row UWHC was once again recognized as one of the best companies for hourly employees in the United States
- Only 11 other companies earned this honor
