

**University of Wisconsin Hospitals and Clinics Board of Directors**  
**Review of Medical Staff –May 7, 2014**

The Medical Board, upon the recommendation of the Credentials committee, recommends approval of the following new applications, additional privileges, biennial reappointments and status changes for the medical staff and other providers requesting professional privileges for practice at UWHC. All of the recommended actions have been reviewed in accordance with the Medical Staff Bylaws. The credentials of all new applicants have been verified. All persons listed below meet the standards of the medical staff for the membership and privileges recommended.

Credentials Committee: March 3, 2014

Medical Board: March 13, 2014

Nathan Rudin, M.D., Chair of Medical Board & President  
of Medical Staff

The following actions were endorsed by the UWHC Credentials Committee and are recommended to the Medical Board for approval/action.

**New Applications**

**Joelle C. Borhart, MD, Active Staff**

**Department of Medicine/Emergency Medicine**

- Emergency Medicine Core Privileges: Privileges to evaluate including performance of H&P, diagnose, and treat patients presenting with any illness, injury, condition or symptom to the Emergency Department. These privileges include, but are not limited to, lumbar puncture; thoracentesis; paracentesis; central line placement; emergency airway management; emergency cardioversion; repair of soft tissue injuries; management of closed fractures; and supervision of residents, fellows, and others in training.
- Deep Sedation--Adults (14 years and older)
- Point of Care Emergency Ultrasound
- Adult Moderate Sedation- Within CSC only
- Pediatric Moderate Sedation- All UWHC facilities
- Supervision of Physician Assistant with Prescriptive Authority (Valerie Carroll, PA, Kevin Wyne, PA)

**Nicholas A. Braus, MD, Active Staff**

**Department of Medicine/General Internal Medicine**

- Internal Medicine/Major Care Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and treat adult patients with medical illnesses. These privileges also include care of patients via telemedicine. These privileges include, but are not limited to, lumbar puncture, thoracentesis, paracentesis, arterial line insertion, diagnostic or therapeutic joint aspiration/injection, endometrial biopsy, endocervical polyp removal/biopsy, intrauterine device (IUD) insertion, punch biopsy of the skin, percutaneous needle biopsy of a breast mass or skin lesion, soft tissue injection, liquid nitrogen cryosurgery of the skin or other appropriate lesion, and perform waived laboratory testing not requiring an instrument; including but not limited to fecal occult blood, urine dipstick, and pH by paper methods and supervision of residents, fellows, and others in training.
- Central venous catheter insertion for access

**Yelena Dukarevich, MD, Active Staff**

**Department of Medicine/Emergency Medicine**

- Emergency Medicine Core Privileges: Privileges to evaluate including performance of H&P, diagnose, and treat patients presenting with any illness, injury, condition or symptom to the Emergency Department. These privileges include, but are not limited to, lumbar puncture; thoracentesis; paracentesis; central line placement; emergency airway management; emergency cardioversion; repair of soft tissue injuries; management of closed fractures; and

- supervision of residents, fellows, and others in training.
- Deep Sedation--Adults (14 years and older)
- Point of Care Emergency Ultrasound
- Adult Moderate Sedation- Inside and outside CSC
- Pediatric Moderate Sedation- All UWHC facilities

**Suzanne E. Gomez-Goldman, MD, Active Staff**

**Department of Family Medicine/General**

- Family Medicine Adult Core Privileges: Physicians granted these privileges shall be able to care for patients with more complicated medical problems. If a diagnosis cannot be established after reasonable investigation, or if there is a serious threat to a patient's life, consultation shall be obtained. Privileges to admit, evaluate including performance of H&P, diagnose, consult and provide treatment to adult patients with general medical problems. These privileges include, but are not limited to, suturing of uncomplicated lacerations; arthrocentesis; I&D of abscess; simple skin biopsy or excision; removal of nonpenetrating corneal foreign body; uncomplicated minor closed fractures (not involving traction or major manipulation); uncomplicated dislocations; lumbar punctures; diagnostic endometrial sampling; peripheral intravenous cannulation; peripheral arterial puncture; lumbar puncture; preoperative care of surgical patients; postoperative medical care of surgical patients; and performing waived laboratory testing not requiring an instrument, including but not limited to fecal occult blood, urine dipstick, and pH by paper methods; and supervision of residents, fellows, and other persons in training.
- Family Medicine Pediatric Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult and provide non-surgical treatment to pediatric patients without major complications or serious life threatening disease. These privileges include, but are not limited to, the care of normal newborn as well as the uncomplicated premature infant equal to or greater than 36 weeks gestation; and supervision of residents, fellows, and other persons in training.

**Marissa S. Lowenthal, MD, Active Staff**

**Department of Anesthesiology/General**

- Anesthesiology Core Privileges: Privileges to evaluate including performance of H&P, consult and administer anesthesia to patients for relief and prevention of pain during and following surgical, therapeutic and diagnostic procedures, including the monitoring and maintenance of normal physiology during the perioperative period and perform waived laboratory testing not requiring an instrument; including but not limited to fecal occult blood, urine dipstick, and pH by paper methods. Supervision of Anesthesiologist Assistants is included in these privileges. These privileges include supervision of residents, fellows, and other persons in training.

**Priti J. Patil, MD, Active Staff**

**Department of Radiology/Fellow**

- Radiology Core Privileges: Performance and interpretation of all radiologic tests and procedures including plain film, ultrasound, CT, MRI, nuclear medicine, fluoroscopy of the head and neck, chest, abdomen, pelvis, extremities, gastrointestinal tract, genitourinary, and musculoskeletal system in adults and children. These privileges include, but are not limited to, doppler vascular imaging, transcranial doppler, arthrograms and joint aspirations, venography of major vessels, mammography and supervision of residents, fellows and other trainees.
- Imaged guided needle, biopsy, ablation, drainage or aspiration

**Thomas J. Raife, MD, Active Staff**

**Department of Pathology and Lab. Medicine**

- Clinical Pathology Core Privileges: Privileges in clinical pathology include provision of consultation to physicians for diagnosis exclusion, and monitoring of disease utilizing information gathered from examination of clinical laboratory tests on body fluids and secretions. These privileges also include care of patients via telemedicine. These privileges include supervision of residents, fellows and others in training.

**Additional Privileges**

**William D. Aughenbaugh, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Daniel D. Bennett, MD, Active Staff**

**Department of Dermatology/General**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Eric R. Berg, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Justin D. Blasberg, MD, Active Staff**

**Department of Surgery/Cardiothoracic**

- Supervision of physician assistant (Stephanie Pano, PA) without prescriptive authority

**Apple A. Bodemer, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Robert J. Glinert, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Molly A. Hinshaw, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Julia M. Kasprzak, MD, Active Staff**

**Department of Dermatology/General**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Ryan A. Macke, MD, Active Staff**

**Department of Surgery/Cardiothoracic**

- Supervision of physician assistant (Stephanie Pano, PA) without prescriptive authority

**James D. Maloney, MD, Active Staff**

**Department of Surgery/Cardiothoracic**

- Supervision of physician assistant (Stephanie Pano, PA) without prescriptive authority

**Ladan Mostaghimi-Tehrani, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Anne E. Rosin, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Andrew M. Swanson, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Gary S. Wood, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Yaohui Xu, MD, Active Staff**

**Department of Dermatology**

- Supervision of physician assistant (Jerrilyn Johnson, PA) with prescriptive authority

**Focused Professional Practice Evaluation Review**

The following focused review applications have been endorsed by the UWHC Credentials Committee and are recommended to the Medical Board for approval/action:

Name	Department /Section	Status
Allen, Brittany J., MD	Pediatrics/General	Active
Basraon, Sanmaan K., MD	Obstetrics and Gynecology/Maternal Fetal Medicine	Active
Bassetti, Michael F., MD	Human Oncology	Active
Bauer, Rebecca M., MD	Anesthesiology	Active
Behrens, Jacob M., MD	Psychiatry/General	Active
Bohrer, Justin C., MD	Obstetrics and Gynecology/Fellow	Active
Bour, Robert K., MD	Radiology/Fellow	Active

### Professional Privileges-- New Applications

#### **Jerrilyn Johnson, PA, UW Physician Assistant Department of Dermatology/General**

- Dermatology PA Professional Privileges: Under the direction and supervision of the responsible physician(s), the PA may perform the following, including but not limited to: Attending initially a patient of any age in any setting to obtain a medical history, perform a physical examination, and record and present pertinent data concerning the patient in a manner meaningful to the supervising physician; Performing, or assisting in performing, routine diagnostic studies as appropriate for a specific practice setting; Performing routine therapeutic procedures, including, but not limited to, injections including intralesional injections, immunizations, and the suturing and care of wounds; Use of silver nitrate for chemical cautery; skin tag/wart removal; paring calluses and corns; Instructing and counseling a patient on physical and mental health; including diet, disease, treatment and normal growth and development; Assisting the supervising physician in a hospital or facility by assisting in surgery in the outpatient setting, recording patient progress notes, compiling and recording detailed narrative case summaries and accurately writing or executing orders under physician supervision; Assisting in the delivery of medical care by reviewing and monitoring treatment and therapy plans; Facilitating referrals to other appropriate community healthcare facilities, agencies and resources. Assist in surgery to include, but not limited to, first assist on major or minor surgeries.
- Prescriptive Authority
- Destruction of benign and malignant lesions with either electrodesiccation or cryosurgery and curette of nonmelanoma skin lesions
- Sharp debridement/Incision and drainage/Removal of foreign body/ Excision of skin lesions
- Shave Biopsy
- Skin Punch Biopsy

#### **Stephanie L. Pano, PA, UW Physician Assistant Department of Surgery/Cardiothoracic**

- Cardiothoracic Surgery Physician Assistant Core Professional Privileges: Under the direction and supervision of the responsible physician(s), the Physician Assistant may perform the following, including but not limited to: attending initially a patient of any age in any setting to obtain a medical history, perform a physical examination, and record and present pertinent data concerning the patient in a manner meaningful to the supervising physician; performing, or assisting in performing, routine diagnostic studies as appropriate for a specific practice setting; performing routine therapeutic procedures, including, but not limited to, injections, immunizations, suturing and care of wounds; insertion and removal of nasogastric tubes, insertion and removal of foley catheters, field infiltration of anesthetic solutions; perform incision and drainage of superficial abscesses; perform site checks after placement of catheters or pacemakers; perform venous and arterial punctures for blood sampling, cultures, and IV catheterizations, removal of arterial catheters, central venous catheters, chest tubes; removal of epicardial pacing wires; removal of intra-aortic balloon pumps; removal of temporary transvenous cardiac pacing catheters; instructing and counseling patients on physical and mental health; including diet, disease, treatment and normal growth and development; Assisting the supervising physician in surgery, making patient rounds, recording patient progress notes, compiling and recording detailed narrative case summaries, including operative notes as necessary and discharge summaries; order and the initial interpretation of diagnostic testing and therapeutic modalities, such as laboratory tests, medications, hemodynamic monitoring, treatments, x-ray, EKG, IV fluids, and electrolytes and writing or executing orders under the physician's supervision; Assisting in the delivery of medical care by reviewing and monitoring treatment and therapy plans; Facilitating referrals to other appropriate community healthcare facilities, agencies and resources. Assist in surgery to include, but not limited to, first assist on major or minor surgeries. These privileges also include ordering respiratory therapy.

### Professional Privileges—Additional Privileges

#### **Sarah M. Cencius, NP, UW Advance Practice Nurse Department of Pediatrics/Critical Care**

- Prescriptive authority

**Amy M. Chybowski, NP, UW Advance Practice Nurse**  
**Department of Medicine/Allergy, Pulmonary & Critical Care**

- Pulmonology NP Core Privileges: Privileges to promote health, prevent disease, assess/evaluate including performance of H & P, diagnose, consult and manage adolescent and adult patients with pulmonary disease in inpatient and outpatient settings in collaboration with physician members of the medical staff. These privileges also include ordering respiratory therapy and blood product ordering.

**Kira Connolly-Nelson, NP, UW Advance Practice Nurse**  
**Department of Medicine/General Internal Medicine**

- IUD removal

**LuAnn L. Greiner, NP, UW Advance Practice Nurse**  
**Department of Radiology/Interventional Radiology**

- Drain/G-tube removal (lumbar and subdural)

**Mary B. Henry, NP, UW Advance Practice Nurse**  
**Department of Surgery/General Surgery**

- Suturing
- Wound debridement (selective,sharp)

**Gail E. Jahnke, NP, UW Advance Practice Nurse**  
**Department of Dermatology**

- Destruction of skin cancer with either electrodesiccation or cryotherapy and curette of nonmelanoma skin lesions

**Rose A. Weber, NP, UW Advance Practice Nurse**  
**Department of Medicine/Infectious Disease**

- I & D of abscess

**Focused Professional Practice Evaluation Review**

The following focused review applications have been endorsed by the UWHC Credentials Committee after review by their applicable sub-committees (if appropriate) and are recommended to the Medical Board for approval/action:

**Rebecca Hartwell, PA – Orthopedics & Rehabilitation Medicine/Orthopedic Surgery**

**Reappointments**

The following reappointment applications have been endorsed by the UWHC Credentials Committee for two-year reappointments and are recommended to the Medical Board for approval/action:

Anesthesiologist Assistants

- Jessica E. Ashba, AA-C
- Keisha Ashley, AA-C
- Eliza A. Benson, AA-C
- Nikki L. Brechtel, AA-C
- William L. Campbell, AA-C
- Randall J. DeGreef, AA-C
- Michael D. Devine, AA-C
- Ashley L. Diedrich, AA-C

- Jamie M. Fridirici, AA-C
- Katherine G. Garland, AA-C
- Phillip J. Hemmerling, AA-C
- Matthew W. Ireland, AA-C
- Roman M. Kagan, AA-C
- Kathleen A. King, AA-C
- David M. Martin, AA-C
- Dustin E. Murphy, AA-C
- Lauren A. Murphy, AA-C
- Samantha S. Salman, AA-C
- Brooke E. Schlieve, AA-C
- Peter W. Shearer, AA-C
- Sara L. Strom, AA-C

Advance Practice Nurses

- Amanda M. Adams, NP: Medicine/Cardiovascular Medicine
- James P. Albrecht, CRNA: Anesthesiology
- Kate L. Amond, NP: Surgery/Cardiothoracic
- Joy L. Amundson, NP: Medicine/Cardiovascular Medicine
- Ann M. Baggot, NP: Obstetrics and Gynecology
- Natasha J. Baker, CRNA: Anesthesiology
- Trisha C. Baneck, NP: Medicine/Cardiovascular Medicine
- Colleen Basney Norris, CRNA: Anesthesiology
- Lyndsey B. Battaglia, NP: Orthopedics and Rehabilitation/Orthopedic Surgery
- Chelsea M. Bennett, CRNA: Anesthesiology
- Valerie A. Boll, NP: Orthopedics and Rehabilitation/Orthopedic Surgery
- Nancy L. Brandt, NP: Medicine/Hematology/Oncology
- Ashli Breitbach, NP: Urology
- Denise K. Brost, NP: Neurological Surgery
- Sarah A. Bruncker, NP: Urology
- Kjersten L. Busse, NP: Medicine/Cardiovascular Medicine
- Ann Byrne, NP: Urology
- Carol Carr, CNM: Obstetrics and Gynecology/Nurse Midwife
- Kristin T. Casey, NP: Pediatrics/Hematology/Oncology
- Carolyn S. Christenson, CNM: Obstetrics and Gynecology/Nurse Midwife
- Devon K. Christenson, NP: Pediatrics/Critical Care
- Amy M. Chybowski, NP: Medicine/Allergy, Pulmonary & Critical Care
- Kira Connolly-Nelson, NP: Medicine/General Internal Medicine
- Debra A. Dahlke, CRNA: Anesthesiology
- Lauren M. Dallman, NP: Surgery/Peripheral-Vascular
- Ramon J. Davis, CRNA: Anesthesiology
- Randi Davis, NP: Neurological Surgery
- Joni D. Dean, NP: Pediatrics/Rheumatology
- Amanda A. Deniger, NP: Medicine/Geriatrics
- LeAnn M. DeRungs, NP: Medicine/Geriatrics
- Curtis L. Detro, CRNA: Anesthesiology

- Ruth A. Diaz de Leon, NP: Medicine/Endocrinology
- Ann Dodge, NP: Pediatrics/Cardiology
- Linda A. Eckstein, NP: Medicine/Hematology/Oncology
- Kimberly A. Elskamp, CRNA: Anesthesiology
- Erika A. Fehrenbach-Prell, NP: Surgery/Cardiothoracic
- Chessa L. Fischer, NP: Medicine/Hematology/Oncology
- Jayme L. Frank, NP: Pediatrics/Cardiology
- Sharon A. Frierdich, NP: Pediatrics/Hematology/Oncology
- Denise K. Fryzelka, CNM: Obstetrics and Gynecology/Nurse Midwife
- Blythe F. Gage, NP: Medicine/Hematology/Oncology
- Letitia M. Geanon, NP: Neurological Surgery
- Daniella Gery, NP: Urology
- Lauren K. Gilbertson, NP: Medicine/General Internal Medicine
- Wilma K. Gillis, CRNA: Anesthesiology
- Amanda F. Goplen, NP: Family Medicine/General
- Maureen Gordon (Wild), NP: Medicine/Endocrinology
- Jeffrey Gould, CRNA: Anesthesiology
- Bruce Grau, NP: Medicine/Geriatrics
- LuAnn Greiner, NP: Radiology/Interventional Radiology
- Douglas S. Haley, CRNA: Anesthesiology
- Luke Hattenhauer, CRNA: Anesthesiology
- Lori L. Hayes, CNS: Human Oncology
- Margaret R. Helin, NP: Surgery/General Surgery
- Mary B. Henry, NP: Surgery/General Surgery
- Joan C. Hermsen, NP: Medicine/Cardiovascular Medicine
- Sue E. Hilgemann, NP: Medicine/General Internal Medicine
- Anne V. Hoeft, CRNA: Anesthesiology
- Kathleen L. Hoffland, NP: Medicine/Geriatrics
- Sarah Holum, NP: Medicine/General Internal Medicine
- Rhonda E. Hoyer, NP: Medicine/General Internal Medicine
- Susan Hubanks, NP: Neurological Surgery
- Karol J. Huenerberg, NP: Human Oncology
- Kimberly Hullet, NP: Medicine/Cardiovascular Medicine
- Francis G. Ircink, NP: Medicine/Human Resources - Employee Health
- Gail E. Jahnke, NP: Dermatology
- Carrie A. Jaszewski, CRNA: Anesthesiology
- Melissa Kaminsky, CNM: Obstetrics and Gynecology/Nurse Midwife
- Lisa R. Keller, NP: Pediatrics/Hematology/Oncology
- Laura A. Koehler, NP: Surgery/General Surgery
- Rebecca A. Konkol, CRNA: Anesthesiology
- Dawn R. Konop-Sage, CRNA: Anesthesiology
- Staci Kothbauer, CRNA: Anesthesiology
- Olubunmi B. Kumapayi, NP: Urology
- Ellen Langrehr, NP: Medicine/Cardiovascular Medicine
- Julie A. Lederman, NP: Dermatology
- Andrew S. Lehr, CRNA: Anesthesiology
- Theresa M. Lenaghan, NP: Neurological Surgery
- Deanna J. Letts, NP: Medicine/Human Resources - Employee Health

- Janis Lindsey-Osio, NP: Medicine/Geriatrics
- Mary Love-Patton, NP: Medicine/Allergy, Pulmonary & Critical Care
- Stephanie J. Lovell, NP: Medicine/Hematology/Oncology
- Shea N. Lues, NP: Orthopedics and Rehabilitation/Orthopedic Surgery
- Erin L. Marriott, NP: Pediatrics/Cardiology
- Susan Marten, NP: Medicine/General Internal Medicine
- Jamie E. Martens, CRNA: Anesthesiology
- Michelle Masson, NP: Ophthalmology
- Judy A. McCorkell, CRNA: Anesthesiology
- Judith S. McNeel, CNM: Obstetrics & Gynecology/Nurse Midwife
- Emily J. Meyer, NP: Neurological Surgery
- Rebecca L. Mogensen, NP: Medicine/Hospitalist
- Migdiel H. Moretta, CRNA: Anesthesiology
- Lindsay M. Morris, NP: Surgery/Cardiothoracic
- Gabriel A. Morrison, CRNA: Anesthesiology
- Brenda L. Muth, NP: Medicine/Nephrology
- Catherine J. Nelson, NP: Pediatrics/Gastroenterology
- Kari L. Nelson, NP: Surgery/Cardiothoracic
- Nancy L. Ninman, NP: Neurology
- Lori A. Oettinger, NP: Dermatology
