

How to share home spirometry results with us:

1. Launch the ZEPHYRx Breathe Easy app on your device.
2. On the home screen, tap on Breathing Tests.

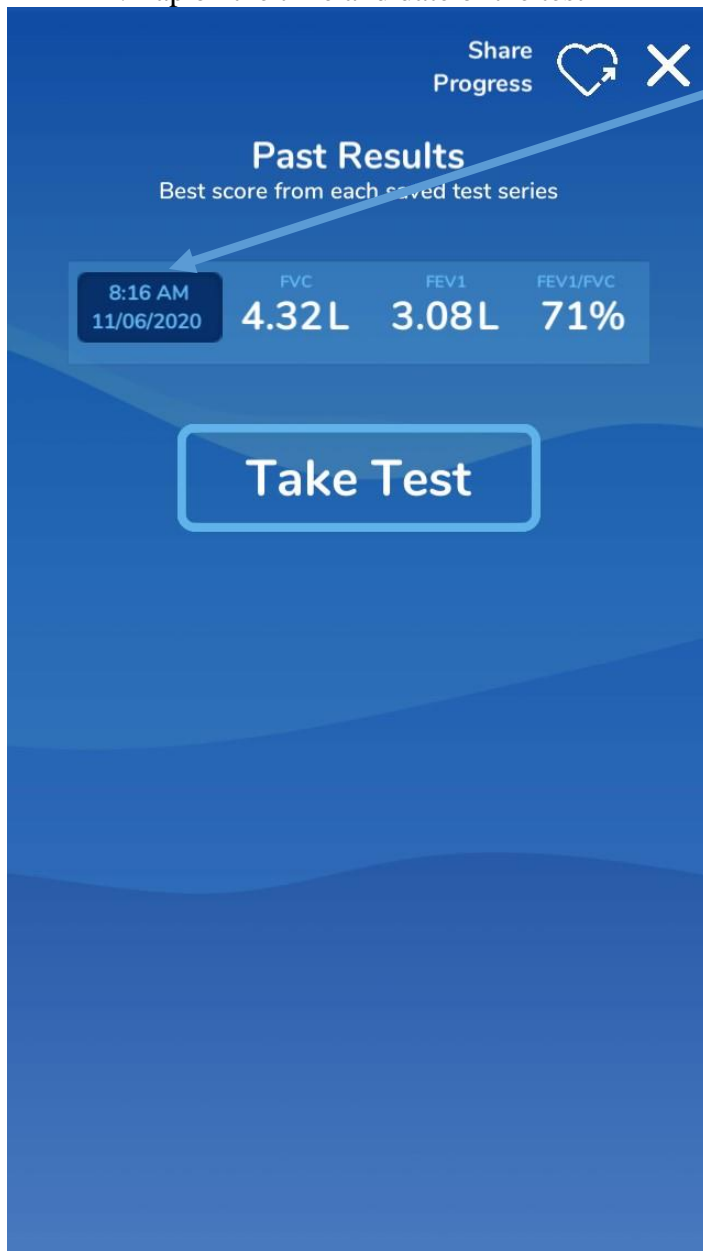

Tap on Breathing Tests

3. Tap on View Past Results

Tap on View Past Results

4. Tap on the time and date of the test

Tap on the time and date of the test

5. This is the complete result screen. Take a screen shot of this and attach as part of a Mychart message to us.
