

**University of Wisconsin Hospitals and Clinics Board of Directors**  
**Review of Medical Staff – November 2, 2011**

The Medical Board, upon the recommendation of the Credentials committee, recommends approval of the following new applications; additional privileges, biennial reappointments and status changes for the medical staff. All of the recommended actions have been reviewed in accordance with the Medical Staff Bylaws. The credentials of all new applicants have been verified. All persons listed below meet the standards of the medical staff for the membership and privileges recommended.

Credentials Committee: August 31, 2011  
Medical Board: September 8, 2011

Nathan J. Rudin, M.D., Chair of Medical Board & Interim  
President of Medical Staff

**New Applications**

**William W. Chuang, MD, PhD, Active Staff**  
**Department of Radiology/General**

- Radiology Core Privileges: Performance and interpretation of all radiologic tests and procedures including plain film, ultrasound, CT, MRI, nuclear medicine, fluoroscopy of the head and neck, chest, abdomen, pelvis, extremities, gastrointestinal tract, genitourinary, and musculoskeletal system in adults and children. These privileges include, but are not limited to, doppler vascular imaging, transcranial doppler, arthrograms and joint aspirations, venography of major vessels, mammography and supervision of residents, fellows and other trainees.
- Imaged guided needle, biopsy, ablation, drainage or aspiration
- Adult Moderate Sedation-- Inside and outside CSC

**Megan E. Collins, MD, Active Staff**  
**Department of Ophthalmology**

- Ophthalmology Medical and Minor Surgery Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and treat patients presenting with illnesses, injuries, and disorders of the eye, including its related structures and visual pathways\*; and performing waived laboratory testing not requiring an instrument, including but not limited to fecal occult blood, urine dipstick, and vaginal PH by paper methods; and supervision of residents, fellows and others in training.
- Ophthalmology Surgical Core Privileges: Privileges to perform basic surgical procedures considered a result of a residency training program including corneal micropuncture and debridement, astigmatic keratotomy, cataract surgery with or without IOL placement, glaucoma filtration surgery with or without antimetabolite, combined cataract and filtering surgery, strabismus surgery on horizontal muscles, enucleation, cryotherapy, primary repair of entropion, ectropion, eyelid injury, tarsorrhaphy, blepharoplasty, lacrimal intubation and irrigation. These privileges include supervision of residents, fellows, and other persons in training.
- Special Competence Pediatric Ophthalmology and Strabismus: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and treat pediatric patients presenting with complicated illnesses, injuries, and disorders of the eye, including its related structures and visual pathways; and patients of all ages presenting with strabismus disorders. These privileges include, but are not limited to, cyclovertical muscle surgery on any age; cataract surgery, trabeculotomy, goniotomy, specialized nasolacrimal procedures on patients 12 years old or less, surgery for congenital ptosis and ptosis reoperations.
- Use of surgical laser - Argon for glaucoma.
- Use of surgical laser- Argon and Diode for panretinal laser.
- Use of surgical laser - Diode for glaucoma.
- Use of surgical laser - YAG capsulotomy, iridotomy, cyclophotocoagulation.

**Caprice C. Greenberg, MD, MPH, Active Staff**  
**Department of Surgery/General Surgery**

- Not practicing independently at this time. All activities to be done as non-attending physician.

**Sara K. Johnson, MD, Active Staff**

**Department of Medicine/General Internal Medicine**

- Internal Medicine/Major Care Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and treat adult patients with medical illnesses. These privileges also include care of patients via telemedicine. These privileges include, but are not limited to, lumbar puncture, thoracentesis, paracentesis, arterial line insertion, diagnostic or therapeutic joint aspiration/injection, endometrial biopsy, endocervical polyp removal/biopsy, intrauterine device (IUD) insertion, punch biopsy of the skin, percutaneous needle biopsy of a breast mass or skin lesion, soft tissue injection, liquid nitrogen cryosurgery of the skin or other appropriate lesion, and perform waived laboratory testing not requiring an instrument; including but not limited to fecal occult blood, urine dipstick, and vaginal PH by paper methods and supervision of residents, fellows, and others in training.
- Central venous catheter insertion for access
- Adult Moderate Sedation-- Inside and outside CSC

**Molly E. Klein, MD, Active Staff**

**Department of Pathology and Lab. Medicine**

- Anatomic Pathology Core Privileges: Privileges in anatomic pathology include provision of consultation to physicians for diagnosis exclusion, and monitoring of disease utilizing information gathered from examination of tissue specimens, cells and body fluids and performance of autopsies. These privileges also include care of patients via telemedicine. These privileges include supervision of residents, fellows and others in training.

**Elizabeth L. Lake, MD, Active Staff**

**Department of Neurology**

- Neurology Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and provide medical treatment to patients presenting with illnesses or injuries of the neurological system. These privileges include, but are not limited to, lumbar puncture; EEG interpretation and operative monitoring; EMG and nerve conduction studies; muscle and nerve biopsy; and performing waived laboratory testing not requiring an instrument, including but not limited to fecal occult blood, urine dipstick, and vaginal PH by paper methods; and supervision of residents, fellows and others in training.

**Joshua M. Lang, MD, Active Staff**

**Department of Medicine/Hematology/Oncology**

- Internal Medicine/Major Care Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and treat adult patients with medical illnesses. These privileges also include care of patients via telemedicine. These privileges include, but are not limited to, lumbar puncture, thoracentesis, paracentesis, arterial line insertion, diagnostic or therapeutic joint aspiration/injection, endometrial biopsy, endocervical polyp removal/biopsy, intrauterine device (IUD) insertion, punch biopsy of the skin, percutaneous needle biopsy of a breast mass or skin lesion, soft tissue injection, liquid nitrogen cryosurgery of the skin or other appropriate lesion, and supervision of residents, fellows, and others in training.
- Hematology Core Privileges: Privileges to evaluate including performance of H&P, diagnose, consult, and treat adult patients presenting with diseases and disorders of the blood and blood-forming tissues. These privileges include, but are not limited to, bone marrow aspiration and biopsy; administration of chemotherapy; the management and care of indwelling venous access catheters; plasmapheresis; therapeutic phlebotomy; lymph node aspiration; bone marrow harvest; and supervision of residents, fellows, and others in training.
- Bone marrow harvest
- Adult Moderate Sedation-- Inside and outside CSC

**Lydia T. Mawad Melendez, MD, Active Staff**

**Department of Pediatrics/General**

- Pediatric Major Care Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult and provide care for infants, children and adolescents with complex problems or severe illnesses, including those that are potentially life-threatening. These privileges also include care of patients via telemedicine. These

privileges include, but are not limited to, lumbar puncture; peripheral arterial puncture; peripheral venous puncture; neonatal circumcision; intubation; suprapubic bladder tap in the care of newborn infants greater than 2000 grams; and performing waived laboratory testing not requiring an instrument, including but not limited to fecal occult blood, urine dipstick, and vaginal PH by paper methods; and supervision of residents, fellows and others in training.

**Tin N. Oo, MD, Active Staff**

**Department of Medicine/General Internal Medicine**

- Internal Medicine/Major Care Core Privileges: Privileges to admit, evaluate including performance of H&P, diagnose, consult, and treat adult patients with medical illnesses. These privileges also include care of patients via telemedicine. These privileges include, but are not limited to, lumbar puncture, thoracentesis, paracentesis, arterial line insertion, diagnostic or therapeutic joint aspiration/injection, endometrial biopsy, endocervical polyp removal/biopsy, intrauterine device (IUD) insertion, punch biopsy of the skin, percutaneous needle biopsy of a breast mass or skin lesion, soft tissue injection, liquid nitrogen cryosurgery of the skin or other appropriate lesion, and perform waived laboratory testing not requiring an instrument; including but not limited to fecal occult blood, urine dipstick, and vaginal PH by paper methods and supervision of residents, fellows, and others in training.
- Internal Medicine/Intermediate Care Core Privileges: Privileges to evaluate including performance of H&P, diagnose, consult, and treat adults patients with medical illnesses in the outpatient setting (General Internal Medicine clinic). Includes lumbar puncture, thoracentesis, paracentesis, diagnostic or therapeutic joint aspiration/injection, endometrial biopsy, endocervical polyp removal/biopsy, intrauterine device (IUD) insertion, punch biopsy of the skin, percutaneous needle biopsy of a breastmass or skin lesion, soft tissue injection, liquid nitrogen cryosurgery of the skin or other appropriate lesion, and supervision of residents, fellows, and others in training. These privileges also include care of patients via telemedicine.
- Central venous catheter insertion for access

**Elizabeth J. Plovanich, DPM, Active Staff**

**Department of Surgery/Transplant**

- Toenail procedures (e.g., nail removal)
- Skin procedures (e.g., removal of warts, moles or nevi)
- Soft tissue procedures (e.g., tenotomy, capsulotomy)
- Digital arthroplasty
- Bone procedures of toes (basic)
- Bone procedures (advanced): Forefoot procedures other than involving toes
- Bone procedures (advanced): Rigid (AO) fixation procedures
- Bone procedures (advanced): Accessory bone procedures
- Bone procedures (advanced): Heel spurs
- Bone procedures (advanced): Haglund's deformity
- Soft tissue procedures (advanced): Neuroma removal
- Amputations: Toes
- Amputations: Rays
- Laser surgery: CO2
- Bone procedures (complex): Rearfoot procedures other than those listed above (e.g., tarsal tunnel release, triple arthrodesis)

**Additional Privileges**

**Guilherme M. Campos, MD, Active Staff**

**Department of Surgery/General Surgery**

- Supervision of Physician Assistant with Prescriptive Authority (Steven Heuer, PA)

**Nilto C. DeOliveira, MD, Active Staff**

**Department of Surgery/Cardiothoracic**

- Supervision of Physician Assistant with Prescriptive Authority (Matthew Terasa, PA)

**Arjang Djamali, MD, Active Staff**  
**Department of Medicine/Nephrology**

- Supervision of Physician Assistant with Prescriptive Authority (Lindsay Morris, PA)

**Jerome C. Ebert, MD, Active Staff**  
**Department of Orthopedics and Rehabilitation/Rehab Medicine**

- Acupuncture

**Michael J. Garren, MD, Active Staff**  
**Department of Surgery/General Surgery**

- Supervision of Physician Assistant with Prescriptive Authority (Steven Heuer, PA)

**Jacob A. Greenberg, MD, Active Staff**  
**Department of Surgery/General Surgery**

- Supervision of Physician Assistant with Prescriptive Authority (Steven Heuer, PA)

**Brenda K. Jenkin, MD, Active Staff**  
**Department of Obstetrics and Gynecology**

- Robotic privileges for benign gyn

**Christopher D. Kenney, MD, PHD, Active Staff**  
**Department of Surgery/Fellow**

- Supervision of Physician Assistant without Prescriptive Authority (Michael Anderson, PA)

**Takushi Kohmoto, MD, Active Staff**  
**Department of Surgery/Cardiothoracic**

- Supervision of Physician Assistant with Prescriptive Authority (Matthew Terasa, PA)

**Jenny P. Liao, MD, Active Staff**  
**Department of Neurology**

- Acupuncture

**Lucian Lozonschi, MD, Active Staff**  
**Department of Surgery/Cardiothoracic**

- Supervision of Physician Assistant with Prescriptive Authority (Matthew Terasa, PA)

**James D. Maloney, MD, Active Staff**  
**Department of Surgery/Cardiothoracic**

- Supervision of Physician Assistant with Prescriptive Authority (Matthew Terasa, PA)

**Phillip S. Weems, MD, Active Staff**  
**Department of Surgery/Fellow**

- Supervision of Physician Assistant without Prescriptive Authority (Michael Anderson, PA)

**Tracey L. Weigel, MD, Active Staff**  
**Department of Surgery/Cardiothoracic**

- Supervision of Physician Assistant with Prescriptive Authority (Matthew Terasa, PA)

**Tommy C. Yu, MD, Active Staff**

**Department of Orthopedics and Rehabilitation/Rehab Medicine**

- Acupuncture

**Focused Professional Practice Evaluation Review**

The following focused review applications have been endorsed by the UWHC Credentials Committee and are recommended to the Medical Board for approval/action:

| Name                | Department /Section | Staff Status        |
|---------------------|---------------------|---------------------|
| Dusick, Anna M., MD | Pediatrics/General  | Active Staff        |
| Kane, Peter P., PhD | Psychiatry/General  | Clinical Psychology |
| Lee, Jonas J., MD   | Family Medicine     | Active Staff        |

**Status Changes**

Richard Graf, MD, Urology, Active to Affiliate

**Professional Privileges**

The following applications have been endorsed by the UWHC Credentials Committee for continued appointment until 6/30/2012 and are recommended to the Medical Board for approval/action:

| First Name | Last Name     | Title | Department     | Section                 | Pres Auth? |
|------------|---------------|-------|----------------|-------------------------|------------|
