CALL FOR EDUCATIONAL, PROGRAM OR RESEARCH POSTERS

Wisconsin Injury and Violence Prevention Partnership
2019 Wisconsin Violence and Injury Prevention Summit
April 4, 2019
Madison, WI

Please consider submitting an abstract for a poster session at the Wisconsin Injury and Violence Prevention Partnership Summit. This is an opportunity for you or your colleagues to share work you have completed, innovative program models that work, partnership and policy initiatives, data, formal research, or evidence-based practices.

The Wisconsin Violence and Injury Prevention Partnership (WiVIPP) is convening champions and professionals in injury and violence prevention across the state. This Summit aims to enhance the capacity of these actors to provide injury and violence prevention practices and policies.

Summit Objectives:

- (Data) Enhance statewide injury surveillance data to define and highlight injury and violence impact and disproportionate burden in Wisconsin
- (Action) Improve capacity for evidence-based practice and policy development by Wisconsin injury and violence prevention professionals
- (Partnerships) Develop new and expand existing partnerships to leverage injury and violence prevention resources across Wisconsin

Poster abstracts are due Friday, March 1st. Abstracts will be peer-reviewed, and you will be notified by Friday, March 15th if your submission has been accepted. Questions can be directed to Paige Andrews at paige.andrews@dhs.wisconsin.gov
