

## PGY2 Pediatric Pharmacy Residency

Internet site: [www.uwhealth.org](http://www.uwhealth.org)

Number of Positions: 1  
 Application Deadline: **January 4, 2021**  
 Starting Date: July 12, 2021

- STRENGTHS:**
- UW Health is a world class center of medical excellence
  - Training focused on the care of patients within primary care clinics, specialty care areas and transitional sites of care
  - Flexibility in tailoring the program to resident needs and interests
  - Several ambulatory clinics with pharmacist involvement facilitating resident rotation options
  - Extensive involvement with School of Pharmacy in didactic teaching and preceptorship of students
  - Nationally recognized leader in technology and patient safety
  - Academic medical center resources

Stipend/Benefits: \$47,500; 144 hours of paid time off (PTO), inclusive of vacation, holidays and sick time, during each year of the residency program. As employees of UW Health, residents receive full health insurance benefits (including dental and vision) and full access to the University of Wisconsin’s recreational, educational, and cultural facilities. Residents receive travel funds and registration for professional meetings and selected certificate programs.

Interview Required: Yes  
 Experience Required: Completion of PGY1 residency

### Rotations

The pediatrics specialty resident will complete a combination of required and elective rotations to ensure that the resident is exposed to a variety of experiences, patient populations and interdisciplinary teams. The final rotation schedule will be tailored to the resident’s needs and interests. Rotations may be comprehensive or longitudinal in nature.

<b>Clinical Rotations and Designed Experiences</b>	
<p>Required:</p> <ul style="list-style-type: none"> <li>• Pediatric Intensive Care Unit (PICU)</li> <li>• Neonatal Intensive Care Unit (NICU)</li> <li>• Pediatric Nutrition Support Team</li> <li>• Pediatric General Care (Medical and Surgical)</li> <li>• Pediatric General Care (Pulmonology/Endocrinology/Neurology)</li> <li>• Pediatric Hematology/Oncology/BMT</li> <li>• Pediatric Orientation and Central Operations</li> <li>• Pediatric Leadership Management</li> <li>• Pediatric Emergency Department</li> <li>• Precepting</li> <li>• Pediatric Medication Safety (longitudinal)</li> <li>• Major Project (longitudinal)</li> <li>• Labor and Delivery – Attending High Risk Deliveries (longitudinal)</li> </ul>	<p>Elective:</p> <ul style="list-style-type: none"> <li>• Pediatric Infectious Diseases Consult</li> <li>• Drug Policy Program</li> <li>• Pediatric Nephrology</li> <li>• Pediatric Cardiology</li> <li>• Pediatric Sedation Clinic</li> <li>• Pediatric Ambulatory Pharmacy</li> <li>• Repeat any required rotation</li> </ul>

***The primary focus of the residency is to become a successful clinical pediatric pharmacist capable of leading and managing pediatric pharmacy services within a health care system.***

### PROJECTS

- Major research project suitable for publication
- Team-related projects while on rotation

**PRESENTATION OPPORTUNITIES**

- Major project will be presented at the Vizient conference during the ASHP midyear meeting as well as at the Great Lakes Pharmacy Resident Conference. Residents may also present at the Pharmacy Society of Wisconsin Educational Conference or other applicable interprofessional meetings
